

PRINCIPLES OF ATATURK AND HISTORY OF MODERN TURKEY MA PROGRAM

Academic Unit: Department of Principles of Ataturk and History of Modern Turkey

Program Objectives: The primary aim of the program is to help students improve their knowledge on political, social, economic and cultural developments of Turkey. Courses offered within the program are designed to improve students' critical and analytical thinking skills. Students are encouraged to apply these skills into their research area and carry out an interdisciplinary research with the contributions of different disciplines of Social Sciences. Elective courses offered within the program provide larger possibilities to build bridges between various disciplines. The goal of the program is to train students to evaluate modern Turkey and current issues within the perspective of Modern Turkish History and to carry out scientific research and share the outcomes with others.

Medium of Instruction: Turkish

International Student Quotas: International student quotas are announced on the Graduate School of Social Sciences web site (<http://www.sbe.yildiz.edu.tr/en>) before the applications are open, each fall and spring semesters.
