

TURKISH LANGUAGE EDUCATION PHD PROGRAM

Academic Unit: Department of Turkish and Social Sciences Education

Program Objectives: Our aim is to train future academicians who are experts in their field, who are well educated in Turkish and who are proficient in teaching methods and techniques related to reading-listening-speaking-writing skills and who are well equipped in the field of measurement, evaluation and program development. Additionally, this program allows Turkish teachers to improve themselves in this field as the teaching profession requires teachers to follow the progress in educational sciences and technologies.

Medium of Instruction: Turkish

International Student Quotas: International student quotas are announced on the Graduate School of Social Sciences web site (<http://www.sbe.yildiz.edu.tr/en>) before the applications are open, each fall and spring semesters.

Admissions Calendar: Admissions calendar is announced on the Graduate School of Social Sciences web site (<http://www.sbe.yildiz.edu.tr/en>) before the applications are open, each fall and spring semesters.

Application Link: <https://lisansustu.yildiz.edu.tr/sbe/en/> (Applicants are advised to check the academic calendar first and send their applications only during the application period.)
